Holly Duckworth, CAE, CMP is an experienced business leader delivering powerful business strategy insight and consulting to association clients across the US. Leadership Solutions International (LSI) her company drives sustainable leadership, volunteer training and strategic planning for trade association and non-profit groups. Through LSI's training program Board of Director University™ and ongoing chapter coaching your organization will increase board skills and business performance to thrive in today's challenging business climate.

Holly is passionate about the transformation and development of people through volunteer coaching, collaborative goal setting, data analysis and business feedback that demonstrates results. Her clients appreciate her focused attention to detail and honest advice. Holly truly is a partner with her clients driving them to success and delivering membership value. A dedicated member and volunteer Holly currently President for Oregon National Speakers Association and Immediate Past Chair for the American Society of Association Executives (ASAE) Component Relations Professionals.
