

U.S. CHAMBER OF COMMERCE FOUNDATION

Shelby A. Parish, IOM, CMP

Senior Manager, Institute for Organization Management,
U.S. Chamber of Commerce Foundation

Shelby A. Parish is senior manager of Institute for Organization Management, a four-year educational program on nonprofit management of the U.S. Chamber of Commerce Foundation. Parish oversees society partnerships, sponsorships, scholarships, fundraising, and registration system management she also works on program logistics including catering, transportation, and special events. Parish manages Institute's summer intern program.

Institute, the industry leader in nonprofit education, is an inspiring and thought-provoking program for chamber and association executives seeking to expand their peer groups, learn about industry trends, and meet some of the country's most innovative business thinkers. The program, which meets one week per year over a four-year period, is held at five different university locations across the country.

Parish has more than eight years of experience in the nonprofit association and chamber industries, specializing in vendor relations, events and database management.

She is a 2008 graduate of the University of Florida with a B.A. in political science and a Certificate in public policy. Parish is also a 2012 graduate of Institute for Organization Management and received her Certified Meeting Professional (CMP) credential in 2014.

Institute for Organization Management is the professional development program of the U.S. Chamber of Commerce Foundation. It is the premier nonprofit professional development program for association and chamber professionals, fostering individual growth through interactive learning and networking opportunities.

The U.S. Chamber of Commerce Foundation is dedicated to strengthening America's long-term competitiveness. We educate the public on the conditions necessary for business and communities to thrive, how business positively impacts communities, and emerging issues and creative solutions that will shape the future.
