Rebecca Teaff is a creative entrepreneur, problem solver and dreamer. Rebecca is the owner and founder of Redstart Creative. Redstart Creative is a branding and digital marketing company building and supporting brands for small businesses and nonprofits in the educational, environmental and family support space.

Redstart Creative helps those driving positive change in the world i.e., people who make good things happen tell their stories in both print and digital. Redstart works with clients empowering positive change in the world - those striving for social impact and equity.

Rebecca has a passion for helping change-makers that matches her passion for running a business. Over the past ten years Rebecca has been involved in multiple volunteer roles including - Marketing Chair for the Association of Fundraising Professionals Maryland Chapter and National Association of Women Business Owners - Baltimore Chapter, as well as receiving Maryland's Top 100 Women Award in 2014 and 2018.
