With more than 23 years of experience in building quality customer relations, Tammy Wellbrock is the Executive Director of the Hays Area Chamber of Commerce in Hays, Kansas. Under Tammy's direction, the Chamber was a 2013 Finalist for Chamber of the Year, presented by the American Chamber of Commerce Executives.

Wellbrock has always been actively involved with the local Chamber through serving on the Board of Directors as well as various committees. She is currently serving on the Chamber of Commerce Executives of Kansas and held the role of President in 2016.

From her days of selling advertising for the newspaper industry, increasing alumni memberships at her alma mater, creating customer networks in the telecommunications industry, or teaching for the local university, Tammy is passionate about connecting, enlightening and empowering others. She also facilitates for Leadership Hays, a community leadership program affiliated with the Kansas Leadership Center located in Wichita, KS.

Tammy received her BA in Communication in 1994, followed with a MS in Communication in 2002, both from Fort Hays State University. In 2014, she completed her Institute of Organization Management (IOM) designation, and earned her Certified Association Executive (CAE) in 2016. This is her first year as an Institute instructor.
