Leah Brown is a Talent Retention Strategist for Crescendo Strategies, a Louisville-based firm committed to reducing unnecessary employee turnover for clients across multiple industries. Leah has 25 years of experience teaching, training, and facilitating improved leadership performance through organizations such as Dale Carnegie, the Department of Defense Education Activity, and the International Center for Corporate Learning at Sullivan University. Leah was recognized for her professional impact when Louisville's Business First Magazine included her in their "20 People to Know in Education/Workforce Development" list.
