Auditor:

1. Did the course cover all of the objectives and allocate the appropriate amount of time for each?
2. Was the course helpful for and geared to both association and chamber professionals?
3. If you were to add an objective to this course, what would it be?
4. Do you think the objective you wrote above should replace one of the current objectives to better reflect industry trends and practices? If so, which objective should it replace?
5. What could be done to make this course more applicable to and in line with industry trends?
